We are committed to safeguarding and seek to ensure that our church is a welcoming but safe place to all those who come through our doors. Everyone who participates in the life of the church has a role to play in promoting a safer church for all. The church is called to share the Good news of God's salvation through Jesus Christ and this speaks of welcome to all, where the value and dignity of every human being is affirmed and those in positions of responsibility and authority are truly trustworthy.
